Work Experience

AMAC (Association of Mature American Citizens) **Bohemia, NY**
Motion Designer *Feb 2022 to Present*

- Made 400+ videos and animations in After Effects and Premiere Pro, reaching 2M+ views across long form videos and short form reels.
- Animated campaign promos and explainers for Medicare, dental, and America 250 campaigns, with calls to action that brought in many new members.
- Shoot and edit videos and podcasts, including the audio mix in Audition or Cubase.
- Pair stock photos with AI generated images made to fit each ad.
- Trained two team members and earned strong praise from my supervisor.
- Pitched the AMAC Store idea and built store.amac.us on my own, including the store, logo, design, and merch. I have run it for 1.5+ years, with about $45K in sales and $6K+ profit in 2026.

Graphic Havoc **Brooklyn, NY**
Graphic Designer *May 2020 to Feb 2022*

- Created graphics and short videos for social media campaigns.
- Made the company's materials consistent through a branding refresh and a style guide for the team.
- Took design projects from concept to delivery, working with clients to meet their needs and deadlines.
- Designed client presentations, proposals, and pitch materials with the marketing team.
